

In partnership with:

# LOCAL ORGANIZING INTERN

## Position Description:

This paid internship will work alongside the team at Arizonaans for a Clean Economy and contribute to our grassroots advocacy efforts designed to advance clean energy solutions at the community level.

## Responsibilities Include:

- Building a diverse coalition of community members, local leaders, and advocates to support clean energy policies and projects.
- Engaging supporters in public campaigns and community events through direct outreach, including phone and text banking, email, and in-person tabling events.
