

AGRICULTURE ASSISTANT

PAID INTERNSHIP

ABOUT THE INTERNSHIP:

Urban Roots Farms is a USDA certified indoor facility that grows seven organic micro-greens, which are then harvested, freeze-dried, sold, and shipped across the country. Interns will play a hands-on role across the whole crop cycle and process. More information about this opportunity is on our website!

Location:

7949 East Acoma Dr. Suite #102
(GCU location opening this fall)

Requirements:

- Ages 16-21
- Consistent weekly schedule
