

The Sports Leadership Council is a paid leadership opportunity for teens who want to build leadership skills, strengthen their resume, and make an impact in their Club and community.

Council members will help lead sports and play-based activities at Boys & Girls Clubs of the Valley while contributing to a local Aspen Institute study on the power of play.

This prestigious opportunity gives teens hands-on leadership experience, community connections, and a chance to represent youth voices in an important national conversation.

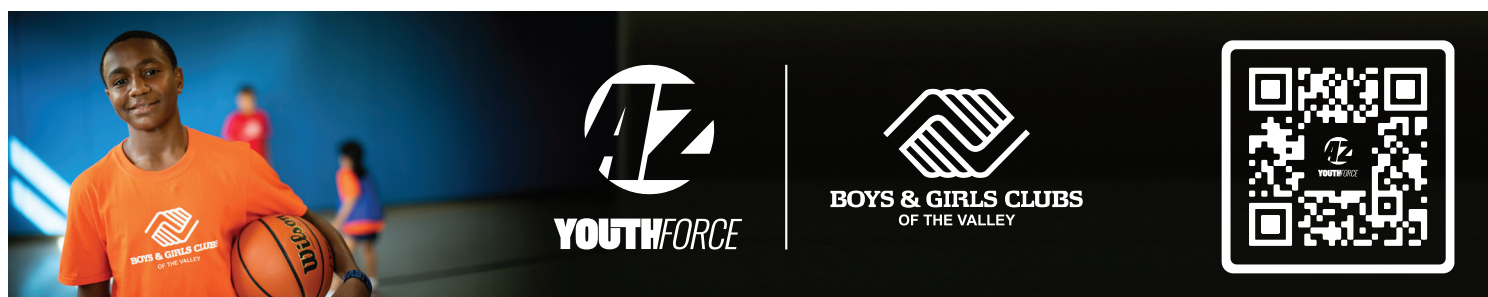

Submit your application to be considered to serve on the 2026 BGCAZ Leadership Council.

Open to all teen students attending public, private and charter schools within the boundaries of the Phoenix Unified High School District.
